

University of Nova Gorica, Vipavska cesta 13, 5000 Nova Gorica, Slovenia

University of Nova Gorica is publishing an open position:

**ASISTENT in the field of ENOLOGY (m/f)**

It is expected that the applicant:

- has at least a university degree, or a master (2nd level) degree in the field of Enology or related fields,
- has average of all the ratings at the undergraduate level at least 8,0 (out of 10) (is eligible for election into the title assistant at the University of Nova Gorica),
- has practical experiences in the field of enology (winemaking, wine chemical and sensory analyses),
- fluently speaks English (additional basic knowledge of Italian would be appreciated),
- has good abilities for teamwork, good communication skills and is skilled in operating in Word, Excel, PowerPoint etc.
- has valid driving license B (alternatively, also F)
- enters PhD study programme in the field of enology (or related fields) in 2015/2016.

The chosen candidate will be actively involved in teaching and research work within the units of School of Viticulture and Enology and Wine Research Centre, in the following activities:

- managing and/or assisting in student exercises in the fields of winemaking, analytical methods in winemaking and wine sensory analyses; co-organising student practical work.
- taking care for the practical implementation of research / teaching / promotional vinifications,
- assisting with promotional guided wine tastings,
- assisting with the existing research work of Wine Research Centre unit.

*Predicted start of employment is 01/12/2014. Employment is offered for a period of one year with the possibility of extension.*

The candidates are expected to enclose:

- the evidences of education and the ratings at the undergraduate level,
- CV,
- motivation letter and short description of up to date study/working experiences,
- two (2) recommendation letters.

Please send your application with obligatory enlistments / evidences that you meet the mentioned criteria, **no later than 20 November 2014.**
