

Vipavska cesta 13, 5000 Nova Gorica

The University of Nova Gorica invites applications for a

RESEARCHER in the field of INFORMATION TECHNOLOGIES

We welcome candidates with a PhD degree that would like to work at a dynamic, internationally recognized research university, which shall offer them the opportunity to fulfil their vision by introducing their field of expertise at the University of Nova Gorica, **to establish and to lead a research group** and to contribute to the development of research and teaching activities in their field. Since the university is expanding its research and teaching activities, we shall welcome the applications of candidates who are active in **computer science, informatics, applied mathematics, statistics** or related **interdisciplinary fields**.

Candidates should supply their applications including their CV, bibliography, certificates of obtained education, a motivation letter with a short description of the proposed research, research and teaching credentials, and a vision statement of their research group development.

We shall first consider applications received by **15 January 2016**. After this deadline, the applications shall be considered once monthly until all positions are filled.

Applications and further information:
