

Vipavska cesta 13, 5000 Nova Gorica

The University of Nova Gorica is seeking to fill a post of:

HEAD OF A RESEARCH CENTER

CENTER FOR INFORMATION TECHNOLOGIES AND APPLIED MATHEMATICS

Candidates, both male and female, should fulfill the general employment conditions defined by law and should:

- have a PhD
- fulfill criteria for a leader of research projects
- have experience with project-funding acquisition and research-project management
- have team-leadership capabilities
- have at least five years of research experience
- have command of Slovene language at C1 level, or be prepared to learn Slovene language
- have command of English language at C1 level

We are looking for a new university fellow that will get an opportunity to develop and lead his/her own research group. Experience with data science is an advantage due to the strategic orientation of the center. The post of the head of center is appointed for the period of 4 years. After that, the same person can be appointed for this position again.

Please submit:

- Curriculum Vitae
- Education certificates
- List of publications to apply
- Motivation letter with a short summary of research interests
- Reference contacts

The University will request the shortlisted candidates to submit the Center development plan.

The call will be open until the position is filled. We therefore invite motivated candidates to apply soon. Please send your application with the evidence that you meet the listed criteria to the University of Nova Gorica human resources office by e-mail **as a single file in pdf format**.
