

Vipavska cesta 13, 5000 Nova Gorica

University of Nova Gorica announces an open position:

1. RESEARCH FELLOW (m/f) in the field:

• **NEUROBIOLOGY**

Candidates are expected to:

- have PhD in the relevant field,
- have knowledge and experiences in neurobiology,
- independent management of research issues,
- ability to work independently,
- have command of English language at C1 level.

The selected candidate will be involved in research activities of the cross-border Italy-Slovenia project MeMoRI-net (Mental and Motor Rehabilitation Network of stroke).

The activities will aim to delineate new common clinical standardised protocols for the rehabilitation of stroke patients, focusing on the analysis of genetic and biochemical biomarkers.

With the selected candidate we will conclude an employment contract for 20% working hours (8 hours / week) for the whole duration of the project, until 1.4.2019.

Please submit:

- Curriculum Vitae
- Education certificates
- List of publications
- Motivation letter with a short summary of research interests
- Three reference contacts

Please send your application with the evidence that you meet the listed criteria, by e-mail until **9. 2. 2018** to the University of Nova Gorica human resources office, address tea.stibilj.nemec@ung.si

Applications should be sent by e-mail as a single file in pdf format.

Applications and administrative information:

Tea Stibilj Nemec, phone (+386) 05 620 58 22, e-mail: tea.stibilj.nemec@ung.si
