

Vipavska cesta 13, 5000 Nova Gorica

University of Nova Gorica announces an open position:

**ASSISTANT WITH PH.D. IN THE FIELD OF PHYSICS OR ASTROPHYSICS (m/f)**

Candidates are expected to:

- have a PhD degree in the relevant field of Physics or Astrophysics,
- have experience with numerical modeling, data analysis and optimization methods,
- have knowledge of the Gamma-Ray Bursts research area,
- be independent, adaptable to work in an international group, accurate and reliable,
- have knowledge of the English language.

The successful candidate will be directly involved in research work of Centre for Astrophysics and Cosmology (CAC) of the University of Nova Gorica in the field of a constellation of nano-satellites for detection of time dependent signals coming from high energy transients, such as gamma ray bursts and electromagnetic counterparts of gravitational wave events.

The selected candidate will have teaching responsibilities within one or more study programs of University of Nova Gorica.

***The position will be available as soon as the selection will be completed with appointment for 24 months.***

Please submit:

- CV,
- motivation letter with short summary of working experience,
- list of publications.

Application deadline is **8. 2. 2019**.

Applications should be sent by e-mail **as a single file in pdf format** to the University of Nova Gorica personnel office, address [tea.stibilj.nemec@ung.si](mailto:tea.stibilj.nemec@ung.si)

Applications and administrative information:

Mrs. Stibilj Nemec, phone +386 5 620 85 22, E-mail [tea.stibilj.nemec@ung.si](mailto:tea.stibilj.nemec@ung.si)
