

Dr. Dorota KOBYLINSKA

Postdoctoral Research Fellow

E-mail: dorota.kobylinska@ung.si

Tel.: +386 5 3315 259

Fax: +386 5 3315 296

EDUCATION

- 2008 Postgraduate Studies in European financial system and the EU funds
- 2006 PhD of physical sciences in the Institute of Physics in the Technical University of Silesia
- 2000-2005 PhD studies: Electronics and Telecommunication
Faculty of Automatic Control, Electronics and Computer Science
Technical University of Silesia
- 1998-2003 Faculty of Automatic Control, Electronics and Computer Science
Technical University of Silesia
Discipline: Electronics and Telecommunication
Honours: Biomedical Electronics
MSC in Electronics
- 1995-2000 Faculty of Mathematics and Physics
Technical University of Silesia
Discipline: Technical Physics
Honours: Optoelektronics
MSC in Physics

COURSES AND TRAININGS

- 2005 Certificate in ISO 19011 Quality Management Systems Auditing
- 2005 pedagogical course
- 2001 Electronic circuits I, Electronic circuits II – examinations in Faculty of Automatic Control, Electronics and Computer Science
- 2000 Circuit theory I, Circuit theory II – examinations in Faculty of Automatic Control, Electronics and Computer Science
- 1999 Advanced English course
- 1996 First Certificate in English – international examination

PROFESSIONAL EXPERIENCE

- 06.2006 Technical University of Silesia, Institute of Physics – Academic teacher and researcher
- 10 2000-05 2006 Technical University of Silesia, Institute of Physics – PhD student
- 07-09 1996 Cempla and Partners – monuments conservation – archeological excavations
- 1992-2005 private lecturers in English, German, Maths, Physics, Chemistry

MEMBERSHIP IN SCIENTIFIC SOCIETIES

Polish Physical Society

SPIE-The International Society for Optical Engineering Student Chapter in Gliwice
