

Dr. Jelica Vince

Research Assistant

E-mail: jelica.vince@ung.si

Tel.: +386 5 331 52 32

Fax: +386 5 331 52 96

EDUCATION

- 2000 University degree University of Ljubljana, Faculty of Natural Sciences and Engineering, Department of Textiles;
Thesis: Teoretical basis of dyeing PA 6,6 knitwear from microfilament with Acid dyes C.I. Acid Red 88 and C.I. Acid Orange 7 (Mentor: prof. dr. Barbara Simončič)
- 2007 Ph.D. Chemistry, University of Ljubljana
Thesis: Structural and spectroscopic properties of proton conducting membranes prepared by sol-gel process (Mentor: prof. dr. Peter Bukovec, comentor: dr. Orel)

EMPLOYMENT

- 2000-2008 National Institute of Chemistry, Laboratory for Spectroscopy of Materials
young researcher (2000-2007),
research assistant (2007-2008)
- 2009- present University of Nova Gorica
Laboratory for Environmental Research, full-time employment since Jun 2009

Published work: 6 articles, 1 short scientific paper, 1 published scientific paper at the conference, 6 summaries of published scientific contributions at the conference

Pedagogical activities:

2009- assistant for chemistry, University of Nova Gorica, School of Engineering and Management
