

## DOCTORAL STUDY PROGRAMMES

(third cycle – 4 years, 240 ECTS)

School	List of study programmes
Graduate School	Physics
	Environmental Sciences
	Materials
	Karstology
	Molecular Genetics and Biotechnology
	Cultural Heritage Studies <sup>1,2</sup>
	Humanities
	Cognitive Science of Language

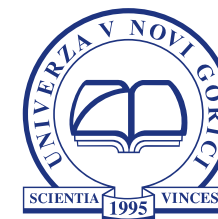

1 A **double-degree PhD study programme** with the prestigious Università Iuav di Venezia from Italy also available.

2 **Joint second-level master programme** (one year) “Economics and Techniques for the Conservation of the Architectural and Environmental Heritage” in the scope of **60 ECTS** also available. A joint diploma is awarded by the University of Nova Gorica and the Università Iuav di Venezia.

### Advantages of studying with us

					
interdisciplinary and practically oriented study programmes	individual approach, small study groups	engaging in research and projects	free courses of Slovene	athletes-friendly university	scholarships, co-financed student meals and transport, student jobs

# University of Nova Gorica

## Develop your talents – begin your quest for knowledge here.

the University of Nova Gorica, located in western Slovenia, at the Slovene-Italian border, is an excellent gateway to quality studies in your future professional field – be it natural sciences, engineering, management, biotechnology, humanities or art. We will enable you to develop your talents in a friendly academic environment with strong international orientation and excellent research opportunities, welcoming international students and staff from all over the world. Create a bright future, join us.

### BACHELOR'S STUDY PROGRAMMES

(first cycle – 3 years, 180 ECTS)

School	List of study programmes	Choose this programme if you are interested in ...
School of Engineering and Management	<b>Engineering and Management*</b>	<ul style="list-style-type: none"> <li>- engineering, management, economics, technology, informatics</li> <li>- cooperation with industry, practical placements</li> </ul>
School of Science	<b>Physics and Astrophysics*</b>	<ul style="list-style-type: none"> <li>- physics, astrophysics, astronomy, solid state physics, materials and atmospheric research</li> <li>- research-based studies</li> </ul>
School of Environmental Sciences	<b>Environment*</b>	<ul style="list-style-type: none"> <li>- environmental protection, environmental impact assessment, environmental health, environmental law and communication</li> <li>- research, field work, project and team work, practical placements</li> <li>- option of a <b>double BSc degree</b> with the University of Bihać, Bosnia and Herzegovina</li> </ul>
School for Viticulture and Enology	<b>Viticulture and Enology*</b>	<ul style="list-style-type: none"> <li>- viticulture, enology and wine marketing</li> <li>- practically-oriented studies</li> </ul>
School of Arts	<b>Digital Arts and Practices*</b>	<ul style="list-style-type: none"> <li>- interdisciplinary and intermedia based work</li> <li>- creative projects, international exchanges and cooperation</li> <li>Modules: Animation, Videofilm, Photography, New Media</li> </ul>
School of Humanities	<b>Cultural History*</b>	<ul style="list-style-type: none"> <li>- cultural history, history of ideas and ideologies</li> <li>- practical placements, student projects and other opportunities for obtaining practical experience</li> </ul>
	<b>Slovene Studies*</b>	<ul style="list-style-type: none"> <li>- Slovene language and linguistics</li> <li>- literature and literary theory</li> <li>- history, culture, digital humanities</li> </ul>

### MASTER'S STUDY PROGRAMMES

(second cycle – 2 years, 120 ECTS)

School	List of study programmes	Choose this programme if you are interested in ...
School of Engineering and Management	<b>Engineering and Management*</b>	<ul style="list-style-type: none"> <li>- upgrading and merging knowledge from engineering, technology, management, economics and informatics</li> <li>- interdisciplinary and problem-solving study focus</li> </ul>
	<b>Leadership in Open Education</b>	<ul style="list-style-type: none"> <li>- interdisciplinary knowledge needed for the design, implementation and management of open education</li> <li>- carried out partially online with an international team of experts</li> </ul>
School of Science	<b>Physics and Astrophysics</b>	<ul style="list-style-type: none"> <li>- obtaining in-depth knowledge of astrophysics and solid state physics</li> <li>- research work, working in an international environment, becoming part of international collaborations</li> <li>Modules: Astrophysics, Solid State Physics</li> </ul>
	<b>Materials Science</b>	<ul style="list-style-type: none"> <li>- interdisciplinary and research-oriented study programme</li> <li>- fields of physics and chemistry of materials, materials characterisation, materials technologies, development of innovative products and services, including the protection of intellectual property</li> <li>- programme designed in cooperation with the National Institute of Chemistry and the Jožef Stefan Institute</li> </ul>
School of Environmental Sciences	<b>Environment</b>	<ul style="list-style-type: none"> <li>- acquiring advanced knowledge about environmental protection, environmental impact assessment, environmental health, environmental law and communication</li> <li>- great research opportunities, project work</li> </ul>
School for Viticulture and Enology	<b>Viticulture and Enology</b>	<ul style="list-style-type: none"> <li>- interdisciplinary oriented study programme for deepening knowledge in understanding, management and using of key, new, advanced and environmentally-friendly principles in viticulture and enology for solving current professional-practical as well as scientific issues in the vineyard and in the cellar</li> </ul>
School of Arts	<b>Media Arts and Practices</b>	<ul style="list-style-type: none"> <li>- specializing in any of the fields covered by the modules: Animation, Film, Photography, New Media, Contemporary Art Practices, Scenographic Spaces</li> <li>- international study and production atmosphere</li> </ul>
School of Humanities	<b>Humanities Studies*</b>	<ul style="list-style-type: none"> <li>- track Histories and Cultures of Crossborder Spaces</li> <li>- track Literary Science</li> <li>- track Linguistics: option of a double degree with Ca' Foscari University of Venice, Italy</li> </ul>
	<b>European Master in Migration and Intercultural Relations (Erasmus Mundus)</b>	<ul style="list-style-type: none"> <li>- migration studies, history, political sciences, social sciences, anthropology, education</li> <li>- joint programme run by partner universities in Europe, Asia and Africa</li> <li>- study plan: 1<sup>st</sup> semester at the University of Oldenburg, Germany, 2<sup>nd</sup> at the University of Stavanger, Norway, 3<sup>rd</sup> and 4<sup>th</sup> semesters at the partner university of your choice – scholarships available</li> </ul>
