

Vipavska cesta 13, 5000 Nova Gorica

The University of Nova Gorica has a vacancy for the position of

HEAD OF THE MATERIAL RESEARCH LABORATORY (m/f)

Candidates, both male and female, should fulfill the general employment conditions defined by law and should:

- have a doctorate in the field covered by the laboratory;
- meet the requirements for leading research projects;
- have good organisational and leadership skills;
- have at least five years' work experience;
- have a knowledge of Slovenian and English to C1 level.

The post of the head of laboratory is appointed for the period of four years.

The employment contract will be for full-time working hours for a fixed term of four years, with the possibility of reappointment.

You must attach the following to your application:

- a curriculum vitae;
- proof that you meet the requirements;
- list of publications;
- a cover letter with a brief description of your vision for developing the Laboratory in the international sphere;

Shortlisted candidates will also be asked to submit extended details of their vision for the development of the laboratory.

Applications must be submitted by 18. 6. 2021.

Please send your application, along with proof that you meet the requirements for the post, to tea.stibilj.nemec@ung.si. Applications should be sent as a single email attachment, in PDF format.
