

Vipavska cesta 13, 5000 Nova Gorica

[The University of Nova Gorica](#) announces the open position for:

**HEAD OF THE CENTRE FOR INFORMATION TECHNOLOGIES AND APPLIED MATHEMATICS (m/f)**

**Deadline of applications: 30.9.2021**

[Centre for Information Technologies and Applied Mathematics](#) in an interdisciplinary research group that operates at the intersection of computer science, information science, mathematics, system theory and automatic control systems. The group develops new approaches to modeling and applies them to a variety of fields, from biomedicine to education and industry. It also develops methods for intelligent data analysis and knowledge discovery.

Candidates, both male and female, should fulfill the general employment conditions defined by law and should:

- have a PhD degree relevant to the Centre research fields,
- fulfill criteria for a leader of research projects,
- have experience with project-funding acquisition and research-project management,
- have good organizational and leadership skills,
- have at least five years of research experience,
- have command of Slovene and English language at C1 level.

We are looking for a university fellow that will get an opportunity to develop and lead his/her own research group. Employment contract will be concluded for full-time working hours for a fixed term of four years, with the possibility of re-appointment.

Please submit:

- Curriculum Vitae;
- Evidence of meeting the requirements;
- List of publications;
- Motivation letter with a short summary of research interests and a development plan of the centre in the international sphere;
- Reference contact details.

Shortlisted candidates will also be invited to submit a broader vision of the center's development.

Please send your application, along with proof that you meet the requirements, in electronic form to [tea.stibilj.nemec@ung.si](mailto:tea.stibilj.nemec@ung.si) by 30 September 2021.

**The application should be sent as a single pdf e-mail attachment.**
