

Vipavska cesta 13, 5000 Nova Gorica

The University of Nova Gorica has an open position for
RESEARCH ASSISTANT or RESEARCH ASSOCIATE / ASSISTANT
PROFESSOR in the field of environmental chemistry and ecotoxicology (m/f)

This position is available to candidates interested in pursuing a research and academic career at the University of Nova Gorica. We offer the opportunity to work in a dynamic environment supported by state-of-the-art research equipment and a strong involvement in international research.

The Laboratory for Environmental and Life Sciences has an open position for a research associate/assistant professor in the field of environmental chemistry and ecotoxicology to candidates with interest in pursuing the research and academic career at the University of Nova Gorica (UNG).

Candidates are expected to:

- have a PhD degree in the field of Chemistry, Biology, or Analytical Science,
- preferentially have research experience abroad (1 year or longer),
- have a theoretical background and work experience which cover one or more of the following fields: analytical instrumental techniques for environmental analysis, health effects and toxicology of environmental pollutants, ecotoxicological studies on test organisms - which shall be reflected in candidate's bibliography with adequate number of original scientific papers in international journals,
- good command of the English language.

The selected candidate will also have responsibilities in teaching courses in the fields of Environmental monitoring and/or Ecotoxicology within study programs at the University of Nova Gorica.

Candidates for the position of assistant professor must have the appropriate habilitation or should meet the conditions for holding the rank of assistant professor or equivalent according to the rules of the University of Nova Gorica.

The position will be available as soon as the selection process is completed. The selected candidate will be appointed for 12 months, with the possibility of extension. Employment is offered as a full-time position.

Please submit:

- CV, with certificates of academic degrees obtained,
- letter of motivation including a description of previous research experience,
- list of the candidate's scholarly and specialist publications.

Applications should be sent by e-mail **as a single file in pdf format** to the University of Nova Gorica Personnel office, e-mail address: nina.cotic@ung.si

Deadline for applications: **21 August 2022**
